

TOGETHER, WE MAKE HEALTHCARE BETTER.

TRIAD HEALTHCARE NETWORK

OUR MISSION

We empower healthcare professionals to manage time, change, and complexity to deliver exceptional care.

OUR METHOD

We provide tools, resources, and expertise to manage new reporting requirements and payment methods while improving quality and controlling costs of patient care.

About Triad HealthCare Network

Triad HealthCare Network (THN) Is a provider-led collaboration between community physicians and Cone Health organized to improve health care in Greensboro and the greater Piedmont Triad area. Our network is made up of:

- **1800+ affiliated physicians** representing 90+ entities across four counties
 - 60% independent community physicians/40% Cone employed
 - 30+ Electronic Health Records platforms
- **400+ Primary Care Physicians** (adult and pediatrics)
- **Acute and ambulatory care facilities**
 - 6 hospitals – 1,342 acute care beds
 - 2 ambulatory surgery centers
 - 1 nursing home – 92 beds
 - 2 freestanding ambulatory care campuses (includes a freestanding emergency department)
